

BOTTLES FOR BOYS

Fund Raiser

Everyone can participate in Troop 229's continuing Fund Raiser & you don't have to sell a thing.

How do we raise the funds you ask? It's easy.

Every week please bring your plastic bottles & aluminum cans (no glass) to the Troop meeting
& place them in the bag.

Do you work in an office or a job site that has a lot of bottles being thrown away? Please ask your co-workers or employees to donate them to Troop 229.

Every month a patrol will be responsible for returning the bottles.

All the money will go to the troop for supplies.
